Although the rate will vary after you are approved, **it will never exceed 18.00%** (the maximum allowable for this loan).

REFERENCE NOTES

Variable Interest Rate

This loan has a variable interest rate that is based on a publicly available index, the one-month LIBOR, published as the US0001M index on Bloomberg on the 10th day (or the next business day thereafter) of the preceding month. Your rate will be calculated on the first day of each calendar quarter by adding your margin (ranging from 2.00% and 9.00%) to the index, rounded up to the nearest one-eighth of one percent (0.125%).

The rate will not increase more than once a calendar quarter, but there is no limit on the amount that the rate could increase at one time. Your rate may increase or decrease quarterly if the one-month LIBOR index changes, which will affect your monthly payment.

A cosigner is not required, but rates may be higher without a cosigner who has better credit than the borrower.

Borrower and Cosigner Eligibility Criteria

You must be a U.S. citizen or permanent resident who meets the required credit and residency criteria. You must be the age of majority in the state where you reside at the time you apply.

Borrower must be enrolled in an eligible school at least half time.

Bankruptcy Limitations

If you file for bankruptcy, you may still be required to pay back this loan.

More information about loan eligibility and repayment deferral or forbearance options is available in your loan application and credit agreement.
